Please Ask Us...

Our objective at the Bears Den is selecting high quality, value driven wines that work well with our cuisine. A good number of the selections in this wine list are considered “Boutique Wines”, small production wines that are made with passion, and usually produced in somewhat low numbers.

These tend to be the highest in quality, but may also be unfamiliar.

It would be our pleasure to help you navigate this list, and choose a wine that best fits your needs. Maybe you will discover a new favorite.

Enjoy your evening!
